- **Bear Paw Garlic**, a unique wild garlic made from the leaf, helps lower cholesterol, and maintain healthy blood pressure levels.
- **CalciAIM**, a natural citrus drink mix that provides free ionic calcium and bioavailable nutrients essential to proper skeletal function and overall wellness.
- **Cell Wellness Restorer**, a unique product that you can add to your bath or apply directly to your skin to both relax and rejuvenate – feeling fresher, livelier, and bursting with energy.
- **Cellsparc 360** combines coenzyme Q10 (CoQ10) with tocotrienols and fish oil to provide total cardiovascular support. The CoQ10 provides potent antioxidant capabilities, and the tocotrienols and fish oil help maintain healthy cholesterol and triglyceride levels.
- **Composure** (different formula in Canada), a combination of relaxing herbs, helps to maintain your neuro health, especially in regard to dealing efficiently with stress.
- **fit 'n fiber**, an orchard peach smoothie mix with 12 grams of total fiber per serving, and 10 grams of heart-healthy soluble fiber per serving. Soluble fiber has been linked to reduced appetite, cholesterol and glucose absorption.
- **FloraFood**, a powerful combination of three friendly bacteria – *Lactobacillus gasseri*, *Bifidobacteria bifidum*, and *Bifidobacteria longum* – helps maintain the healthy balance integral to good health.
- **Frame Essentials**, which combines a glucosamine complex with MSM and boswellia extract, helps maintain healthy joints.
- **Garden Trio** (BarleyLife, a juice powder of young barley plants; Just Carrots, a carrot juice powder; and RediBeets, a beet juice powder), provides us with an optimum nutritional base and is necessary to maintain whole body health.
- **GinkgoSense** combines ginkgo biloba with the essential fatty acid DHA, bilberry fruit extract, and the carotenoids lutein and zeaxanthin to provide overall support for your neuro health. It specifically targets mental acuity, vision, and circulation.

- **GlucoChrom** combines vanadium, gymnema sylvestre, bitter melon, and a unique, patented barley-based chromium to maintain healthy blood sugar levels.
- **Herbal Fiberblend**, a combination of soluble and insoluble psyllium fiber and cleansing herbs, helps maintain bowel regularity, provides dietary fiber, and leads to detoxification. Available in unflavored or natural raspberry powder, and vegetarian capsules.
- **Herbal Release**, a combination of herbs, helps maintain a healthy lymphatic system. The lymphatic system is integral to maintaining our immune system.
- **HumiKleanse** is a heavy metal chelation product that can help remove harmful metals like lead, mercury, and cadmium from the body and increase the retention and utilization of valuable trace minerals.
- **Just Carrots**, a carrot juice powder concentrate that contains important nutrients such as alpha- and betacarotene, calcium, and iron.
- **LeafGreens**, an all-natural powder concentrate that combines the nutrient-dense leaves of spinach, pea, bean, and barley, plus broccoli sprouts for a wide spectrum of nutrients including vitamins, minerals, antioxidants, and a balanced plant-based protein, all for whole-body health.
- **Para 90** (no Canadian rights), a unique combination of herbs, helps maintain a parasite-free body.
- **Peak Endurance**, a grape powder electrolyte drink mix with PEAK ATP®, B vitamins, and vitamin C to energize your mental and physical performance. Contains only one gram of natural sugar and only 30 calories per serving.
- **PrepZymes**, a combination of digestive enzymes, helps our bodies break down foods so we get more nutrients per meal. Specially made for high-sugar, high-fat diets commonly found in “industrialized” countries.
- **Proancynol 2000**, a combination of green tea, grape seed extract, alpha-lipoic acid, and other powerful antioxidants, helps fight free radicals and maintain a healthy immune system. Free radicals have been linked to diseases, many of them resulting from a weakened immune system.
- **ProPeas**, a vegetable protein powder that provides 12 grams of protein, is low-carbohydrate, and low-fat. Ideal tool for weight management thanks to protein’s ability to increase satiety, improve lean muscle, and increase metabolism.
- **ReAssure SP**, a unique and synergistic combination of saw palmetto berry oil extract, pumpkin seed oil, tomato lycopene, and zinc citrate for the maintenance of prostate health. Saw palmetto plant sterols have been shown to block the absorption of cholesterol through the intestine.
- **RediBeets**, a concentrated beet juice powder with only the fiber removed, contains essential enzymes along with the natural form of betaine, which aids in cleansing the liver and reducing homocysteine levels.
- **Renewed Balance** body cream contains natural plant derived ingredients that work synergistically. Both women and men may receive health benefits from this product.
- **RevitaFem** combines eight botanical ingredients that support physical and emotional balance during menopause and helps provide relief from uncomfortable symptoms.
